

Banks Football Community, Family, Friends and Fans —

My name is Angi Lyda and I am volunteering to help set up sponsorships for the Banks Youth Football Program. Banks Youth Football strives to provide the youth in our community with a safe and quality football experience while teaching them teamwork, character and sportsmanship. With these opportunities we hope the players will become better students, teammates, athletes and people in our community.

Please take a minute to look over the sponsorship and donation opportunities we have available this year. We would really appreciate any support your business can offer.

Thank you in advance for your time and generosity. If you have any questions, please contact me and for more information on Banks Youth Football, visit our website at: <http://www.banksfootball.com>.

Sincerely,

Angi Lyda
